

Affected Public: U.S. Steamship and intermodal equipment leasing companies.

Abstract: The collection consists of an intermodal equipment inventory that provides data essential to both the government and the transportation industry in planning for the most efficient use of intermodal equipment.

Need and Use of the Information: The information contained in the inventory provides data about U.S.-based companies that own or lease intermodal equipment and is essential to both government and industry in planning for contingency operations.

Estimated Annual Burden Hours: 66 hours.

Estimated Annual Respondents: 22 companies.

ADDRESSES: Send comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725-17th Street, NW., Washington, DC 20503, Attention DOT Desk Officer.

Comments are invited on: whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.
